

## NRK EPG-data in TV-Anytime/Nordig format.

NRK is providing TV-Anytime EPG-data in NorDig EPG/Event metadata exchange format.

Copyright NRK © 2019

NRK's published images, texts and metadata in the TV-Anytime feed and related links to other metadata are protected by copyright and must be marked in accordance with section 5 of the Norwegian Copyright Act. <https://www.nrk.no/etikk/opphavsrett-pa-nrk.no-1.2843522>

The use of metadata shall be conducted and made universally available as to not contravene NRK's Public Service Mission, or Norwegian law.

All information, text, images, metadata and links to content from the TV-Anytime feed should be used only by agreement with NRK to promote NRK's own content in broadcast schedules (EPG), guides to streaming TV, catch-up archives hosted by third parties (service providers). It is not permitted to store and reuse NRK's text, images and metadata for other purposes.

The latest updated EPG-data is available at <http://www.nrk.no/tvanytime>

NorDig EPG/Event metadata exchange format, is a standard for B2B exchange of metadata between broadcasters / content provider, network operators and other stakeholder in the distribution chain based on TV-Anytime.

Nordig specification is available at <https://nordig.org/specifications/> under section metadata specifications:

- NorDig EPG/Event Metadata Exchange format specification:  
[NorDig Metadata Exchange format specification ver. 1.3](#)
- NorDig-TVA-Guidelines Implementation. Includes the document "NorDig TVA Implementation Guidelines v....pdf", which is recommended to be the first document to read: [NorDig TVA Guidelines ver. 1.3.2, Implementation package](#)

TV-Anytime documentation:

- Homepage: <https://tech.ebu.ch/tvanytime>
- ETSI specification: [ETSI TS 102 822-3-1 V1.11.2 \(2019-06\)](#)
- ETSI related doc.: [Tv-Anytime Schemas & Classification Schemes](#)

If you like to receive information about new features, changes or other information concerning our EPG-data distribution please send an e-mail to [Randi.volle@nrk.no](mailto:Randi.volle@nrk.no) and provide an e-mail address to be used for the information e-mails.

The latest version of the present document is available at [https://www.nrk.no/tvanytime/xml/NRK\\_EPG-data TVA Nordig format.pdf](https://www.nrk.no/tvanytime/xml/NRK_EPG-data_TVA_Nordig_format.pdf)
